English: In a world of snow
text by Elisa Gastaldon

Where are you from? Where were you before?
Play with me what play with you so will you tell me ...
Where are you from? Where were you before?
Dream with me what a dream with you ...
Give me your hand And together we fly without falling
In a world of snow. Give me your bow
In a world of snow.

Performance note

I imagine two children who meet, two children who do not speak the same language but have in common the joy of sharing together the freshness and cleanliness of the white, white, cold snow that warms the heart. The whole execution must be soft, fluffy, delicate, just like snow.
